1 Login

The login page is used by parents and guardians who do not wish to, or can’t use the Appsense mobile application. The web address for the portal is http://console.appsence.net:44566

Picture 1.1 Login Screen

Enter the unique school username and password (provided to you by the school). If you have forgotten your password, click on the ‘Forgot Password?’ link and it will give you instructions on how to reset your password.

Note: You must have a valid email address registered with the school in order to reset your password. This can be added or updated in the parent portal (see how to do this below under the ‘Personal Profile’ section).
2 Dashboard

After logging in, you will be directed to the Appsence dashboard page where the menu is displayed.

4 Personal

This is where you can maintain your personal information. Changes you make here will be sent to the school so that they can update their records. The following fields can be maintained:

![Personal Info](Picture 1.4)

![Emergency Contacts](Picture 1.5)
5 Class Menu

Under this menu, information relating to your child can be found. This includes:

- Absences
- Advance Absence
- Student Awards
- Student Homework
- Student Reports

5.1 Absences

If your student is absent when the school marks the roll, a notification will appear in this menu:

![Absence Notification Overview](Picture 1.6)

A high level overview is visible on this screen however clicking on the ‘View Detail’ button will show more information as well as allow you to respond to the absence:

![Advance Absence](Picture 1.7)
Clicking on the ‘Submit Reason’ link will open another screen, allowing you to inform the school why your child was absent from school:

5.2 Advance Absence

If you know your child is going to be absent from school, you can advise the school beforehand by submitting an Advance Absence.

When going in to the Advance Absence menu, the following screen will appear:

![Advance Absence Full Day Creation](image10)

5.2.1 Child

In this field, you can select the child that is going to be absent (if you have more than one child attending the same school).

5.2.2 Type

The default is ‘All Day’ however you can select ‘Part Day’ from the drop down.

When you select ‘Part Day’, the classes for the date specified will appear, and you can select individual classes to advise of absence:

![Advance Absence Part Day Creation](image11)
5.2.3 Date
Dependent upon the type of absence (full day or part day), the date field will allow you enter a range of dates for an extended period of absence (full day absence) or will allow just a single date to be entered (part day absence).

5.2.4 Timetable
If you select the part day absence type, the classes for your child on that particular date will appear. Clicking on the checkboxes will advise the school and the teachers of absence for those selected classes.

5.2.5 Reason
Using the drop down menu, you can select the reason that most closely represents why your child is absent from school.

5.2.6 Notes
This field allows you to enter free text notes that you wish to send to the school.

5.3 Student Awards
A school may wish to notify you of any awards that your child receives. In this case, they will appear here.

Clicking on the ‘Download Attachment’ link will download the file to your computer. Clicking on the ‘Mail Attachment’ link will bring up a pop-up box, allowing you to enter your email address. The file will then be emailed to that email address.
6 News and Info

This menu allows you to keep up to date with what is happening in and around your school community. This allows the school to send you notices, flyers and interactive questionnaires. Depending on the message type, it will appear in one of the following sub menus under the News and Info main menu:

- Newsletter
- Principal’s Corner
- General Notification

Note: Appsence allows schools to tailor their messages and notices to cater for particular audiences. The school can send a ‘Group’ message (all staff, parents or students or a combination of all), a ‘Class’ message (sent only to parents of students within the specified classes) or an ‘Individual’ message (sent to a single parent). Therefore if you receive a message from the school that is private in nature, it will only be sent to you and not the wider school community.

6.1 Newsletter

The school may elect to use this sub menu to send out school newsletters and other school news related items. In this case, they will appear here.

Clicking on the ‘View Detail’ button will show you more information regarding the message as well as allow you to view any attachments if sent by the school.

If the school has attached a document (for example a scanned copy of the newsletter), the ‘Download Attachment’ and ‘Mail Attachment’ links will appear. Clicking on the ‘Download Attachment’ link will download the file to your computer. Clicking on the ‘Mail Attachment’ link will bring up a pop-up box, allowing you to enter your email address. The file will then be emailed to that email address. In addition to this, an interactive questionnaire may be attached. This is covered below under the ‘General Notifications’ section.

### 6.2 Principal’s Corner

The school may elect to use this sub menu to send out messages from the Principal and other executive messages. In this case, they will appear here.
Clicking on the ‘View Detail’ button will show you more information regarding the message as well as allow you to view any attachments if sent by the school.

If the school has attached a document (for example a scanned copy of a message from the Principal), the ‘Download Attachment’ and ‘Mail Attachment’ links will appear. Clicking on the ‘Download Attachment’ link will download the file to your computer. Clicking on the ‘Mail Attachment’ link will bring up a pop-up box, allowing you to enter your email address. The file will then be emailed to that email address. In addition to this, an interactive questionnaire may be attached. This is covered below under the ‘General Notifications’ section.

### 6.3 General Notification

The school may elect to use this sub menu to send out general messages and notifications that don’t fall under Newsletters or the Principal’s Corner. In this case, they will appear here.

Clicking on the ‘View Detail’ button will show you more information regarding the message as well as allow you to view any attachments if sent by the school.
If the school has attached a document (for example a scanned copy of a school disco flyer), the ‘Download Attachment’ and ‘Mail Attachment’ links will appear. Clicking on the ‘Download Attachment’ link will download the file to your computer. Clicking on the ‘Mail Attachment’ link will bring up a pop-up box, allowing you to enter your email address. The file will then be emailed to that email address. In addition to this, an interactive questionnaire may be attached. In this case, a ‘Submit Questionnaire’ link will be visible (see image above). Clicking on this link will open up the interactive questionnaire:

Complete the questionnaire as instructed and then click on the ‘Save’ button. Once you save the questionnaire, a confirmation screen will appear advising you that the questionnaire has been successfully submitted to the school.
