What do you do now?

➤ Find an employer (in an area you want to work in)

- talk to **family & friends** about the possibility of participating in an ASBA with them as your employer.
- take your resume around to **local businesses** you think you would like to work for.

➤ Organise Work Experience

Use the database of employers in the Careers Room or on Schoology (go to **group** called Careers ▶ Resources). See Mel for a form.

- this may lead to finding a suitable employer
- you will find out if you are interested in this particular work
- you will find out if you feel comfortable in this environment

➤ Check the Careers Updates on Schoology

- employers seeking ASBA's may be listed
eg Master Builders Association (MBA)
- submit an electronic resume to Di (some opportunities in schools)

THEN....when you have an employer

➤ See ASBA Coordinator (Di)

- we can send the employer an **ASBA brochure**
- the **employer** contacts one of the apprenticeship centres to arrange sign-up (MEGT, Apprenticeship Support Australia, Sarina Russo Job Access)
- the school is notified when the contract has been signed and completes a Principal's endorsement
- your timetable is then organised, you are given a booklet for evidence of hours and you can start your ASBA.
